## WELCOME BACK TO SCHOOL!

Term 2 began with students and staff returning to campus, alongside new students and families joining our school community. To support a smooth start, we held an orientation for parents and students.

Parents attended a welcome session with our Principal, Mr. Myles Jackson, and the senior leadership team, while new students were guided through their induction, classroom visits and campus tours led by peer supporters.

We look forward to a term filled with learning, growth and shared experiences as a school community. [Here](#) are some photos of the first day of Term 2.

## SECONDARY END OF TERM 1 AWARDS CELEBRATION

Over the week, we held our End of Term 1 Awards Celebration assemblies for Secondary students. The awards recognised consistent effort, progress and positive learning attitude of our students throughout Term 1.

We also acknowledged students who represented the school in the Kancil Science and Kangaroo Maths competitions, celebrating their dedication and academic achievements.

These assemblies were a meaningful way to recognise the hard work our students put into their learning throughout Term 1. Well done and congratulations to all students for their achievements.
